

Dennis Hays UG Mayor Reardon Agree to Screw Taxpayers

Thanks cops and firemen for helping us pass the sales tax increase so we could screw you. Ha Ha Ha laughed Mayor Reardon when he got on the elevator after the meeting. Dennis make sure you get your salary increase in tomorrow... and thank you for helping me screw the police and firemen.

The rest of the commission stood idly by and watched as the UG continues to screw taxpayers and UG workers.

Doing less with more is the new phrase of the UG as they dog taxpayers into the poorhouse.
