**Mendez, Yes Beaky,  
Worner and Grable spent about  
\$200,000 to get you elected, so it's  
back to the dark side for you.  
Lil Joe and Walker will give you the  
Plan of action as directed by King  
Worner and The Boys.**

**We just have to keep Ann Murguia  
unaware and we boys are home free.  
Rape, Pillage & Plunder says  
King Worner & Queen Grable.**
