

# Our City & the Mess were in!!!!

I'm John Mendez. In my 36 years of City Service the cost to run your stupid City has gone from \$100 million to \$260 million a year and Debt has tripled to \$2.6 Billion. Corruption and taxes are at an all time high. I just need 4 more years!

I'm John Jureyk. I may be corrupt but you must admit I am handsome.

We just need John to be our YES man 4 more years, so we can break this City completely. Dumb voters and tax-payers have no idea?
